To : Global Customers & Friends
Subject : **Substantial SME additions at LSCP: Rolf Porsche, MD, and Steven Gardner (BSc) as new SME – for immediate release**

Uerikon/Zurich, Switzerland, August 5, 2013

The **LSCP Life Sciences Consulting Partners** Management Team is pleased to announce the appointment of two senior Subject Matter Experts (SME) in the context of our extended Information Management and eHealth transformation initiative to our global professional network for the Life Sciences industry and Regulators.

Mr. Rolf Porsche, MD.

Dr. Porsche has deep expertise

- in the Life Sciences and Healthcare (Pharmaceutical, Biotech, Medical Device, Diagnostic Industry)
- Healthcare Provider, Government, Healthcare Insurance Companies, Research Organization, and

International work experience (Europe, US) with a focus on the German, Austrian and Swiss market and a successful track record in the Healthcare/Pharmaceutical consulting/solution

Rolf brings proven skills of managing a wide range of complex eHealth and pharma projects, from small to large, in multicultural contexts to our customers. He is based in Munich, Germany.

Further,

Mr. Steven Gardener (BSc Hon. Biology)

has joined our global **LSCP** network also as an SME to lead content and process management projects in multinational environments. Steven is a seasoned management consultant with a longstanding experience, complementing our skills that can be described as follows:

Nearly 30 years working directly for Pharma companies or as an external consultant across all major functions. Responsibilities have ranged from the internal management of a global infrastructure organization to delivering outsourced application management contracts (value over \$M) for business critical functions. He has been involved in Structured Content (SCM) projects since the early 2000s, looking at the practical implementation issues, the business related benefits and barriers for the successful adoption of technology solutions. On the reverse approach, he has delivered systems to extract structured information from unstructured sources using taxonomic and ontological techniques.

Steven lives with his family in the Basel, Switzerland area.

“The LSCP Global Management Team is very pleased to have Rolf and Steven joining and becoming active members of our global group. As our customers start to move into large transformation programs and projects, they will be important additional assets we can offer and which makes them excellent additions to the Team!”

A very warm welcome to Rolf and Steven!
