

From : **LSCP** Management Team
To : Global Customers & Friends
Subject : **Dr. Malcolm Barratt-Johnson joins LSCP – for immediate release**

Uerikon/Zurich, Switzerland, August 27, 2007 - Today the **Life Sciences Consulting Partners (LSCP)** management team takes great pleasure in announcing that

Dr. Malcolm Barratt-Johnson,
Bachelor of Medicine, Bachelor of Surgery (MB.BS)

has formally joined our global **LSCP** network as an Associate Partner.

Before joining, Malcolm's latest professional activities were as:-

Lead Medical Assessor to the Clinical Trials Unit & Medical Assessor, Licensing Division, Medicines and Healthcare products Regulatory Agency (MHRA), London

- Responsible for the assessment and approval of UK commercial and academic studies regulated under the EU Clinical Trials Directive, and their ongoing pharmacovigilance (PV).
- Lecturer / Speaker, Nationally and Internationally on PV in clinical trials and risk: benefit assessment in drug development;

Medical Manager: Prostate Oncology, Neuroscience & Anti-Infective portfolios, AstraZeneca UK

- Medical management of AstraZeneca's psychiatry / neuroscience /anti-infective and male oncology portfolios.
- Management of a team of six including a field based medic & Clinical Research Coordinator.
- National / International Drug development with key EU / US based colleagues / KOLs.
- Management of Company responses to the Government Health Select Committee;

Senior Medical Advisor, Pharmacia UK Ltd / Pfizer UK Ltd

- Responsible for the medical input and marketing support of Pharmacia / Pfizer's pain, inflammation/arthritis portfolios, (Bextra, Dynastat, Zydol, Arthrotec, Depomedrone, Cytotec, Salazopyrine, methotrexate, CDP-870).
- Management of Phase IV Development budgets for the portfolio.
- Medical input into the European / Global Phase II- IIIb Research Development Programmes Clinical Operations protocols and Regulatory support.
- Chair of Medical Sub-team for Bextra co-promote, reporting to Pfizer/Pharmacia UK / US Senior Management.
- UK / Global KOL support, and liaison with Government bodies: Scottish Medicines Consortium (SMC), NICE, MCA

"The LSCP Management Team is very pleased to see Malcolm joining and become an active member of our global group. Not only his in-depth knowledge of industry business processes from Research to Product launch, but also his acquired Agency expertise in the context of our eCTD Move initiative make him an excellent addition to the Team!"

A very hearty welcome to Malcolm!
