

From : **LSCP** Global Management Team
To : Global Customers & Friends
Subject : **Andrew P. Marr, Ph.D. joins LSCP – for immediate release**

Uerikon/Zurich, Switzerland, February 25, 2011 - Today the global **LSCP Life Sciences Consulting Partners** Management Team takes great pleasure in announcing that

Dr. Andrew P. Marr

will, on March 13, 2011 formally join our global **LSCP** network as an Associate Partner. Before joining, Andrew's latest professional activities were as:

Director, Global e-Regulatory Development, Global Regulatory Operations, GlaxoSmithKline R&D, UK

- Responsible for monitoring and influencing the development of the e-regulatory environment in EU and International and for ensuring that changes in the external environment were factored into GSK's internal processes and IT systems. Also responsible for co-ordinating global e-regulatory monitoring and influencing.

Rapporteur for M2 Expert Working Group at ICH

- Responsible for the development and maintenance of the specification for the electronic Common Technical Document (eCTD) and other ICH electronic interchange standards such as the Individual Case Safety Report (ICSR) and the Identification of Medicinal Products (IDMP)

Co-Chair, Product Information Management (PIM) Programme

- Responsible for leading industry input into the PIM programme from its inception through to the current phase of initiation of implementation

“The **LSCP Management Team is very pleased to see Andrew joining and become an active member of our global group. Not only his in-depth knowledge of regulatory information management, but also his network of expertise in the context of our **eCTD Move** and Labeling Competence Centre initiative make him an excellent addition to the Team!”**

A very hearty welcome to Andrew!
