Subject : **Substantial Competence Addition at LSCP:
Dr. Josef Leuchtner as new Partner – for immediate release**

Uerikon/Zurich, Switzerland, November 17, 2019

The **LSCP Life Sciences Consulting Partners** Management Team is pleased to announce the adherence of a new Partner in the context of our extended global Enterprise Data Governance (**EDG**) Management and eHealth transformation initiative to our professional network for the Life Sciences Industry and Regulators.

Josef Leuchtner, Ph.D.

Pharma Manager with more than 30 years of experience in global Supply Chain Management and Regulatory Affairs

- Designed, implemented, managed and optimized supply chains for key commercial products and launched new products globally incl. supply contract negotiations
- Managed various projects (IT, product development, line extensions, manufacturing and analytical transfers)
- Led the global Product Information Group in Regulatory Affairs and implemented the CDS & an eProduct Information (PI) system from a business perspective in a big pharma company
- Managed regulatory submissions (Review, editing, compilation and submission for new MAs, renewals, variations)

Before joining the global professional network **Life Sciences Consulting Partners (LSCP)** as Partner, Member of the Management Team and a member of the **Enterprise Data Governance (EDG) & Format Free Initiative (FFI) Competence Center**, with a focus on Regulated Content Components in quality delivery.

A substantial list of key achievements:

Regulatory Core Data Sheet (CDS) and relevant Product Information (PI) systems from a business perspective for major revenue drivers for a big pharma enterprise makes him experienced and knowledgeable in end-to-end processes, including Supply Chain (SC) set-up and management qualify Josef as a seasoned Management Consultant and Partner.

Josef is based in the Freiburg, Germany area.

“The LSCP Global Management Team is indeed pleased to have Josef joining and becoming an active member of our global group. As our customers start to move into large transformation programs and projects, he will be an important additional conceptual, practice-based asset we can offer: An excellent addition to the Team!”

A very warm welcome to Josef!
