Subject : **Substantial Competence Addition at LSCP:
Dipl.math. Katrin Dinkel – for immediate release**

Uerikon/Zurich, Switzerland, April 23, 2021

The **LSCP Life Sciences Consulting Partners** Management Team is pleased to announce the adherence of a new Subject Matter Expert (SME) in the context of our extended global Enterprise Data Governance (**EDG**) Management and the Format Free Initiative (**FFI**) transformation initiative to our professional network for the Life Sciences Industry and Regulators.

Katrin Dinkel, dipl.math.

Manager at the intersection of Data/Information Management and Regulatory Affairs

Before joining the global professional network **Life Sciences Consulting Partners (LSCP)** as SME and a member of the **Enterprise Data Governance (EDG) & FFI Competence Center**, with a focus on Regulated Content Components in quality communication target delivery.

Since June 2017 as Independent

- Data Clean-up and migration specification for Lipient Insight Manager RIM System into Veeva Vault Registrations and Submissions
- Data Clean-up and migration specification for CARA Regulatory Submission into Veeva Vault Registrations and Submissions
- Implementation and migration of submission relevant documents from bespoke Documentum into CARA Regulatory Submission
- Text mining implementation for IDMP data extraction from unstructured documents

11 years in Regulatory Affairs at Merck Serono

9 years as Associate Director Consulting at Cognizant

1 year as Principal Consultant at Opentext

Key achievements in domains like regulatory Core Data Sheet (CDS) and relevant Product Information (PI) from a business perspective for major revenue drivers for a big pharma enterprise, her experience and knowledge in end-to-end processes, set-up and management qualify Katrin as a seasoned Management Consultant and SME.

Katrin is based in the Frankfurt/Rhein, Germany area.

“The **LSCP** Global Management Team is indeed pleased to have Katrin joining and becoming an active member of our global group. As our customers start to move into large transformation programs and IDMP+ projects, she will be an important additional conceptual, practice-based asset we can offer: An excellent addition to the Team!”

A very warm welcome to Katrin!
